Re: **3<sup>rd</sup> Ward Good Neighbor Award**

While problem solving with constituents and participating in the resolution of deficiencies that affect my 3<sup>rd</sup> Ward neighbors, I realized many “*good neighbors*” exist quietly within our community. Portsmouth community is really a very caring community with neighbors, like you, who care for one another. It is our **strength**. In an effort to recognize the strengths and spirit of compassion I invited 3<sup>rd</sup> Ward residents to contact me for nomination of individuals for a “**Good Neighbor Award**”.

This award recognizes individuals, of the 3<sup>rd</sup> Ward, who have contributed their personal resources to promoting a better quality of life for their neighbors and others in our community while not seeking recognition of their services.

Nominees for this award have been recommended by family members, friends, or neighbors who want to recognize someone who has enhanced their neighborhood by doing good deeds or provided a service. This is my way of acknowledging 3<sup>rd</sup> Ward residents, who are committed to improving the quality of life in our community. It is heartwarming to witness how many people support their neighborhoods – day in and day out – doing little things that mean more than they could ever know. Neighbors of the 3<sup>rd</sup> Ward now have a way to publicly say thank you, even for the smallest of things.

Remember, how people perceive their neighborhood and our community has everything to do with the well being of Portsmouth. If you believe change can happen, it usually does. Building trust and goodwill will encourage our community to work together. Community involvement and positive ideas will provide collective fixes for a successful tomorrow one block at a time.

I encourage my constituents to get involved and nominate a recipient for the “**Good Neighbor Award**”. Contact me if you should have any questions or comments.

*At this time, as your representative on City Council, I would like to **thank you**, and recognize your efforts by presenting you with this Certificate of Award for your commitment to our community. This type of participation demonstrates qualities that enhance our communities. I appreciate your efforts and believe you make a difference!!*

Respectfully,

Bob Mollette, 3<sup>rd</sup> Ward Advocate and Representative on City Council
