

Memo

To: Bob Mollette, Third Ward Councilman
CC: Mayor; Auditor; City Council
From: David W. Kuhn, City Solicitor
Date: September 27, 2006
Subject: AFSCME Local 1039 C.B.A.

Responding to your September 15 memo to me regarding the captioned matter, I am advised by the Mayor's office that the City's labor consultant is Marc Fishel of Downes, Hurst and Fishel, 400 South 5th Street, Site 200, Columbus, OH 43215-5492, and that Marc Fishel is handling this matter. Discussions with the Mayor have indicated that there may be an issue about whether there was a valid proposal or document to which the City would have responded within an allotted time. Since my office has not been involved in any part of the captioned matter, until now, I do not yet have all the facts relating thereto.

As future aspects of this matter come to my attention, I will advise you further.
