Re: **Reported Complaints concerning 1431 Layton Drive**

I have enclosed photographs associated with a constituent complaint concerning the above residence. The photograph indicates unsightly miscellaneous items in the front yard, which need to be addressed to avoid noncompliance with health or nuisance codified ordinances. These items have been previously reported and the condition, of the front yard, has remained constant for several weeks now.

This residence has been the recipient of several past complaints.

Evaluate and resolve these issues to avoid a blighted community. As always, I welcome your thoughts on these and any matters discussed here. Contact me should you have any comments or questions.

Respectfully,

Bob Mollette, 3<sup>rd</sup> Ward Council
