PRESS RELEASE

Re: **3rd Ward City of Portsmouth Good Neighbor Awards**

While problem solving with constituents, and participating in the resolution of deficiencies affecting my 3rd Ward neighbors I realized many “*good neighbors*” exist quietly within our community. Portsmouth community is really a very caring community, with neighbors who care for one another. It is our strength. In an effort to recognize this strength and spirit of compassion I am inviting 3rd Ward citizens to contact me to nominate an individual for a “**Good Neighbor Award**”.

This award will recognize citizens who contribute their resources to promoting a better quality of life for their neighbors or other citizens. This request is designed to recognize the ongoing efforts of those who make a difference in our community without their seeking of recognition for their service. Nominees may be recommended by a family member, friend, or neighbors who wishes to recognize someone who has enhanced their neighborhood by doing a good deed or providing a community service. This is a way, for me, to acknowledge residents of my Ward, 3rd Ward, who are committed to improving quality of life in our community.

Those nominating their neighbors, even for the smallest things, will now have a way to publicly say thank you. It will be heartwarming to see how many people support their neighborhoods – day in and day out – doing little things that mean more than they could ever know. This provides me with the opportunity to also give my appreciation to citizens who are participating in the community.

I would be honored to accept nominations from residents, with a brief description of their contribution, on the attached “*Good Neighbor Award Nomination Form*”. The recipient will be recognized on my community website www.mollette.info.

Keep in mind, how people see themselves and one another has everything to do with the well being of our community. If they believe that change can happen, it usually does. Building trust and goodwill has allowed some communities to work together on issues of importance. The positive idea of community involvement will provide collective fixes to our community for a successful future one block at a time.

I encourage my constituents to become involved in nominating a recipient for the “*Good Neighbor Award*.” Contact me if you should have any questions or comments.

Respectfully,

Bob Mollette, 3rd Ward Council
