Portsmouth, Ohio 45662

**Re: Reported Safety Concern at Buena Vista Lane and Simpson Street**

A constituent reported a current safety concern at the corner of Buena Vista Lane and Simpson Street. The potential for a traffic accident may have been elevated due to the existing constricted sharp corner, parked vehicles, and now the additional obstructed view with the installation of a plastic/fabric tent just north of 3224 Simpson Street residence.

I visited the site and enclosed photographs to document the concern for your review. I would strongly suggest the reported safety issue be given your direct attention to be resolved promptly.

Also, the portable wooden shed near the road was scheduled to be moved as soon as the weather allowed; this was reported by the Engineering Department on February 9, 2007 and in response to correspondence #07-009 dated January 31, 2007.

Please follow-up on these issues.

If you should have any questions, contact me.

Respectfully,

Bob Mollette, 3<sup>rd</sup> Ward Advocate and Representative on City Council
