Re: Reported Concern with Incorrect Street Sign

I am forwarding a concern for your prompt response on incorrect signage located at the intersection of Shawnee Road and Coles Boulevard, across from Dorman Drive. I did some researched on this intersection and it appears the Hillview Drive sign, at this intersection, should be 28th Street. Hillview Drive is located and depicted on Scioto county tax maps at the north-end of 27th Street. I have included photographs and a Scioto County Tax Map for your review and swift action.

This Hillview Drive sign was reported after confusion developed during an emergency run which caused delay.

Please take appropriate actions to avoid any further delays.

Respectfully,

Bob Mollette, 3rd Ward Advocate and Representative on City Council
