Re: Street Maintenance Repair Requested on Highland Avenue

I inspected a section of Highland Avenue between Lincoln Street and Franklin Avenue to prepare a request for the City to repair deteriorated curbs and gutters located in this general area and more specifically near 1636, 1640, 1635, and 1637 Highland Avenue. Keep in mind this is not a complete list.

Constituents expressed a concern to avoid blighted conditions from poorly maintained infrastructure and sidewall tire damage from parking against jagged deteriorated curb edges.

I enclosed photographs of these areas to document the condition for your evaluation. If you have any questions contact me.

Respectfully,

Bob Mollette, 3rd Ward Advocate and Representative on City Council
