Re: Reported Nuisance at 1436 Layton Drive

I visited the above residence to address a reported nuisance complaint. I enclosed photographs for your evaluation and proper action. The issue is noxious vines, brush, shrubs, and overhanging tree limbs from the property owned by the Board of Education Portsmouth City School District (Parcel No. 31-2267.000). The residents have reported this issue several times to the Mayor's office and Board of Education over the last two (2) years with no action taken to resolve this issue to date.

Citizens have expressed frustration over the lack of attention and appropriate code enforcement by the City. A taxpayer's opinion of their local government is personal. It is based on their interactions with the City officials and services rendered. The lack of action by City officials is a missed opportunity which promotes the negative opinion the City government does not care or is dysfunctional. Please resolve this reported nuisance.

If you should have any questions contact me.

Respectfully,

Bob Mollette, 3rd Ward Advocate and Representative on City Council
