Dear Missy, Dick, Dave, Orville, Mike, Kerry, Rusty, Bob and Bill:

The purpose of this letter is to express my thanks for your willingness to attend the informal meeting today regarding the Portsmouth City School District's vacated sites and zoning issues. I appreciated all the ideas and thoughts you shared.

As a result of the meeting, a communication process will be developed in order to educate the community. We also will start making plans to host a public forum. Before I can finalize the communication process and plan the public forum, I need to meet with the members of the Portsmouth City Board of Education Business Affairs Committee.

Unfortunately, I will be out of the office for a few days. My goal is to meet with the Board of Education by mid-July and host the public forum by the end of July. In the meantime, I hope you will continue to promote the district's vision and help us eliminate unsubstantiated rumors. Should you have additional ideas or suggestions, please feel free to contact me or leave a message with my Executive Assistant, Paula Duncan, at 354-4727 or via email at [duncanp@portsmouth.k12.oh.us](mailto:duncanp@portsmouth.k12.oh.us).

Sincerely,

Jan Broughton  
 Superintendent
