CITY CLERK'S OFFICE

Re: Notification of Possible Programming Change.

Dear Ms. Aeh,

I am writing as part of our efforts to keep you apprised of developments involving Time Warner Cable and your local cable system.

This is to advise you that depending on the progress of ongoing negotiations, Time Warner Cable may be forced to discontinue carriage of WSAZ TV3 from Huntington in the near future. While we remain hopeful that an agreement will be reached to continue providing WSAZ to you, we are alerting our customers as to the possible loss of this programming.

Should you have any questions, please do not hesitate to contact our Government Affairs Manager, Steve Cuckler at either (614) 481-5270 or at steve.cuckler@twcable.com.

Sincerely,

A handwritten signature in black ink, appearing to read "Rhonda Fraas".
