JAMES D. KALB  
MAYOR

728 SECOND STREET, ROOM 1  
PORTSMOUTH, OHIO 45662

August 31, 2007

To Whom It May Concern:

Based on conversations with and written reports (copies attached) from Anthony Lauro, Jr., P.E., Certified Building Official and Richard Howerton P.E., P.S., the following has been determined.

The overall integrity of the superstructure of the bleachers on the east side of Spartan Stadium does not appear to be a safety hazard. Some of the sub-piers supporting the aluminum seating boards appear to show some deterioration due to the loosening of the aluminum boards.

Though no guarantee of any type of failure can be given, it is my opinion, based on the above mentioned reports, that the east bleachers of Spartan Stadium pose a no life threatening problems at this time.

Respectfully,

James D. Kalb, Mayor  
City of Portsmouth
